# **TURN YOUR IDEA INTO A REALITY**

Mastering the Manifestation Mindset

---

## HELLO LUV BUG!

Welcome to the **TURN YOUR IDEA INTO A REALITY - MASTERING THE MANIFESTATION MINDSET** Workbook... I'm so glad that you're ready to turn your desires and dreams into your life experiences.

Did you know that everything that exists in this world, whether it be a car, house, or even the device you're reading this on, first started with an idea? An idea that someone chose to believe in so much, that they made the choices and took the actions necessary to make it come into fruition.

They didn't have any special powers or possess some secret formula that you don't have access to... they just developed the mindset that they were going to make their vision happen.

You have this same ability within you to make your dreams come true, you just have to believe that your idea is possible for you - and then decide that you're going to do what needs to be done to make it happen.

On the next page are a series of questions to help you begin to master the manifestation mindset. While they may seem simple, the answers you come up with will have an immediate impact on your belief-system. Because once you see that you do have the power to make your idea a reality, there's nothing stopping you from making your life what you want it to be.

Lots of LOVE, PEACE, & HAPPINESS,

*Morgan*
